Summary

§ - Section 1C:

In order for this website to function it is necessary for it to collect, process, send and sometimes store data. Some of this data may be information you personally choose to provide or some may be information used by the website automatically to provide a smooth user experience, but whatever the case it is important that you, the user, understand how data is processed during the usage of this website. That is what this document aims to clarify.

Key Points:

- You must be over 18 years of age to use this website.
 - This website uses cookies to provide a better experience.
 - This website may employ the use of third party service providers and as a result, some of your data will be sent to them for the purposes of them carrying out their designated tasks.
-

Your Data And What We Use It For

Users Under The Age Of 18

§ - Section 2A:

Our Service does not address anyone under the age of 18.

We do not knowingly collect personally identifiable information from anyone under the age of 18. If you are a parent or guardian and you are aware that your child has provided us with personal data, please contact us. If we become aware that we have collected personal data from a child without verification of parental consent, we take steps to remove that information from our servers.

What Personal Data Do We Collect?

§ - Section 2B:

This website collects several different types of data while in use. The website does not actively share your data with any third party, but it is important that you understand that in order for the website to function it needs to be run by third party hosting providers. This does mean that although highly unlikely, it is possible for hosting providers to access some data that is sent to this website. This is simply a byproduct of the way a website works and is not something that can be changed.

Our service also allows for the storage of a person's information which may be used to contact or identify them personally: e.g. "personal data". This can include, but is not limited to a person's:

- Name
- Email Address
- Phone Number
- Postal Address
- Uploaded Images

Usage Data, Tracking and Cookies

§ - Section 2C:

We may also collect information that the device you are using to view our service, sends while you are doing so. This is referred to as: "Usage Data".

This can include, but is not limited to:

- Your IP address (Internet Protocol Address)
- Your IP address (Internet Protocol Address)
- Your browser information, e.g. type, version, features
- Visited pages within our service
- Date and time of your visit
- Mobile operating system

This website employs the use of cookies and similar tracking technologies regardless of the means used to connect to it. By accessing this website, you agree to the use of cookies.

Cookies are files containing small amounts of data which are sent from our website to be stored on your device and may include an anonymous unique identifier. Tracking technologies also used are beacons, tags, and scripts to allow us to collect and track information and to improve and analyze the service that this website provides.

This is done to track your activity on the website and retain certain information to improve your user experience (for example, by retaining settings for your browser to preserve them when you return).

You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of the website, or they may not function as expected.

The Types Of Cookies Used On Our Website

§ - Section 2D:

- Session Cookies. We use session cookies to operate the website.
- Preference Cookies. We use preference cookies to remember your preferences and various settings.
- Security Cookies. We use security cookies to enhance the security of this website.

What Your Data Is Used For

§ - Section 2E:

- To provide and maintain the website
 - To notify you about changes to the website
 - To allow you to participate in interactive features of the website when you choose to do so
 - To provide customer care and support
 - To provide analysis or valuable information so that we can improve the website
 - To monitor the usage of the website
 - To detect, prevent and address technical issues
-

How Your Data Is Handled

Transfer Of Data

§ - Section 3A:

Your information, (potentially including personal data) may be transferred to and maintained on computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction. It may be necessary for this website to be hosted on servers outside of the UK and as a result, your data may be sent to servers completely external to the UK regardless of where you access the website from.

Disclosure Of Data and Legal Requirements

§ - Section 3B:

We may disclose your personal data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of our website and its service providers
- To prevent or investigate possible wrongdoing in connection with the website
- To protect the personal safety for users of the website or the public
- To protect against legal liability

Security Of Data

§ - Section 3C:

Using the best encryption and security technology that is commercially acceptable it is our constant aim to improve the security of any data that is stored using this website, but of course, it is still an online service nonetheless and as such, there is always the possibility that it can fall victim to hacking and/or other unexpected failures not listed here - potentially leading to accidental data loss or leaked information. In light of this, it is imperative that any and all data you choose to send to this website, is data which you personally have the right to send to this website.

Service Providers

§ - Section 3D:

We may employ third party companies and individuals to facilitate the use of our website ("Service Providers"), to provide a service on our behalf, to perform service-related functions or to assist us in analyzing how our website is used. Examples of service providers we use can include, but are not limited to:

- Hosting providers
- Payment platforms
- Analytics systems

These, and any other third parties we choose to use may have access to your personal data, only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

External Data

Links To Other Sites

§ - Section 4A:

This website may contain links to other sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the privacy policy of every site you visit. We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

In Closing

Changes To This Privacy Policy

§ - Section 5A:

We may update this website's privacy policy from time to time. We will notify you of any changes by posting the new privacy policy on this page, and notify you using email and/or a prominent notice on the website itself. You are advised to review this privacy policy periodically for any changes. Changes to this privacy policy are effective when they are posted on this page.
